The Apex High School Band program includes over 200 students participating in a variety of bands: two concert bands, a wind ensemble, a jazz ensemble and an award winning marching band. The marching band competes on Saturdays from September to November representing Apex High School throughout North Carolina. The marching band has won many Grand Champion awards and consistently receives superior ratings, the highest awards at competitions. Among other qualities, the marching season provides dedicated students an opportunity to experience teamwork and leadership skills at their best. We are very proud of our band students and the Apex High School Band Program!

The Apex High School Band is supported by the Wake County School System; however, the Apex Band Boosters cover additional expenses necessary to keep our commitment of excellence. These expenses include things like providing expert clinicians and instructional programs for the students as well as replacing instrumentation.

To help fund the band program the Apex High School Marching Band is hosting our third annual Band Carnival at Apex High School in November 2014. The carnival will feature carnival game booths, a photo booth, arts and craft booths, inflatables, face painting, a climbing wall, food, a DJ, basket raffles, silent auction, cake walk and many other fun activities for the entire family.

Again, this year, we are asking businesses in our community to help us in our efforts by sponsoring various activities for the carnival. Your contribution will directly support the band program while promoting your business at the same time. Becoming a sponsor or donor to the Apex Band Boosters provides an opportunity for your business to get involved with our school and help enrich the education of the students in our community. We have different levels of giving, so you can choose what best fits your business.

The Apex Band Boosters is a 501(c)3 non-profit tax-exempt organization dedicated to supporting the high standards exemplified by the Apex High School Band. Our band program entertains at various sporting and community events, promotes education via music, and encourages the next generation of musicians through outreach and recruitment at the middle school and elementary school levels with events like this carnival. If you have any questions regarding our event, please do not hesitate to contact me at the telephone number or email below. Thank you in advance for supporting The Apex High School Band program.

Sincerely,
