

**APEX HIGH BAND
ANNUAL FRUIT SALE 2016**
Now Through Nov 7th
Delivery is Friday, December 9th

It's a band tradition! This fruit comes from the famous Florida Indian River Groves– the very best ruby red grapefruit, navel oranges, tangelos, mandarin, and juice oranges. We encourage *everyone* to sell fruit *and* buy it for your own family. A portion of the profits go directly to your student account. Students receive \$5 for each 1/5 bushel, \$7 for each 2/5 bushel and \$9 for each 4/5 bushel. The band booster general fund will also receive a portion of the sales in addition to the student earnings.

ONLINE ORDERING: Friends and family can order and pay online (credit card or check) and choose included on the truck delivery to the school (no charge) or home delivery for an additional fee. visit <http://www.apexhighband.org/fruit>

Students get credit for online orders too – give the customer your first name and the first three initials of your last name (if you have less than three initials it is just the first initial of your last name). As they checkout they select the “seller” (student) from the drop down list. There is no money or checks to collect for online orders as payment is by credit card – however students will still need to deliver online (local) orders! After the sale is closed, Students with online orders will receive a final report of who ordered what via online!!

Online orders will save you time and gas driving around town to get orders placed. Just email your customers the link! If local, they can choose to have the order added to the truck delivery going to the school at no additional cost to them and students will still deliver the order as usual. Out of town customers can also order online and have it shipped direct to them (shipping charges apply) *Note: fruit can only be shipped within the continental US (sorry no orders to Alaska, Hawaii or International shipping.) After the sale is closed, Students with online orders will receive a final report of who ordered what via online!!

- All fruit is picked fresh then trucked in direct from the Florida citrus groves - the quality is unbeatable!
- Included with this letter is a brochure/order form and collection envelope. Extra order forms will be available in the band room and for download from the website (fundraising tab).
- Collect money **now** for the fruit – **not** when it is delivered! **ALL checks payable to Apex Band Boosters.** Put **student's name on the check (memo)** so credit goes to the proper account and be sure the student's name is on all order forms!
- **PLEASE DO NOT TURN IN CASH** – and do not leave forms /checks in Mr. Jarvis's office. **There will be a large envelope on the wall in the band room marked “FRUIT ORDERS” starting in early OCTOBER 2016– students can leave their completed order sheets with checks securely attached in that collection envelope.** In addition, you may give your completed order forms to Maddy Wilson or Chris McCarthy (after band practice in the bus loop or any other convenient time) **before November 7th.**
- All fruit orders **MUST** be picked up on Delivery Day – Friday December 9th by you or another band member. Fruit cannot stay at school on that Friday! Details about Delivery Day and time will be emailed to you. We'll be asking for **MANY** volunteers on Delivery Day – We'll need handcarts, strong backs, keen eyes for “quality control” and many others to help verify orders. You'll be hearing this plea again in December!

Thanks so much for your efforts throughout the year to make our band program the best it can be! Questions? Email: fruitsale@apexhighband.org
