

APEX HIGH BANDS ANNUAL FRUIT SALE 2019

Now Through November 6th
Delivery is Wednesday, December 4th

It's a band tradition! This fruit comes from the famous Florida Indian River Groves– the very best ruby red grapefruit, navel oranges, tangelos, mandarin, and juice oranges. We encourage *everyone* to sell fruit *and* buy it for your own family. A portion of the profits go directly to your student account. Please Refer to the chart on the reverse side for the student's portion of proceeds. The band booster general fund will also receive a portion of the sales in addition to the student earnings.

NEW THIS YEAR - You can donate fruits to local nursing homes and support the band at the same time! Money raised for the Nursing Home Fund will be used to buy mandarin oranges in bulk for the residents. Our goal is \$250 (about 10 boxes of mandarins) - we are targeting nursing homes with greater need - 2 homes/2 pieces of fruit/resident. Ways to donate: purchase a box of mandarins and mark as donation, ask your buyers to “round up” as you collect their pre-payment, and make a direct donation.

ONLINE ORDERING: Friends and family who want to pay by credit card can order online and have it included on the truck delivery to the school (no charge for shipping).

**Go to www.apexhighband.org/fruit
and look for the link to FRUIT SALE**

Online orders will save you time and gas driving around town to get orders placed. You can email your customers the link! Give the customer the student's first name and the first three initials of your last name (if you have less than three initials it is just the first initial of your last name). At checkout, they select the “seller” (student) from the dropdown list. Online payment is by credit card only. Students will still need to deliver local orders which were placed online. After the sale is closed, *Students with online orders will receive a final report of who ordered what via online!*

Out of town customers can also order online and have it shipped direct to them (shipping charges apply) *Note: fruit can only be shipped within the continental US (sorry no orders to Alaska, Hawaii or International shipping.)

- All citrus fruit is picked fresh then trucked in direct from the Florida citrus groves - the quality is unbeatable!
- Included with this letter is a brochure with order form and collection envelope. Extra order forms will be available in the band room and for download from the website (see link above).
- Collect payment now for the fruit – not when it is delivered! **ALL checks payable to Apex Band Boosters.** Be sure to put the **student's name on the check in the memo field** so that the credit goes to the proper account. Be sure the student's name is on all order forms!
- **PLEASE DO NOT TURN IN CASH. Write a personal check for any cash received with your student's name in memo field.**
- DO NOT leave forms /checks in Mr. Jarvis's office. **Students can drop off their completed order forms with checks, including donations securely sealed inside the collection envelope provided in the lock box located in the band room.** In addition, you may give your completed order forms to Myrna Shelby or Christine Lennon **on or before November 6th.**
- ALL fruit orders MUST be picked up on Delivery Day – Wednesday, December 4th by your student/parent. Fruit cannot stay at school overnight. Details about Delivery Day and time will be emailed to you. Parent Volunteers will also be needed. Look for a reminder and sign up Genius after Thanksgiving. Any fruit not picked up will be considered a donation.

Thank you so much for your support of Apex High School Bands!
